Dear Sir Michael —

Herewith a copy of my letter to Fran O'Brien, after our meeting last week. She and Penny Young were very generous with their time, and I am most grateful.

We are now getting in touch with David Jordan and other BBC executives, to focus on the BBC's EU coverage in the run-up to next June's European elections.

Yours sincerely,

*I with thanks again for suggesting  
the meeting -*

*Malcolm Pearson.*
